

FALL WINTER 2026 COLLECTION

A Casale Monferrato, nel cuore del Piemonte, da oltre un secolo affondano le radici del nostro "saper fare". Un patrimonio che dal 1921 viene custodito e alimentato da persone sapienti che, unendo le proprie capacità alle migliori materie prime, danno anima e forma alla creatività di ogni capo. La forza di questi valori, unita alla costante ricerca stilistica, rende tangibile la nostra unicità.

In Casale Monferrato, in the heart of Northern Italy's textile tradition, our craft has been rooted for over a century. A heritage that, since 1921, has been carefully preserved and nurtured by skilled hands which, combining expertise with the finest raw materials, give soul and form to the creative expression of every garment. The strength of these values, together with an ongoing stylistic research, makes our uniqueness tangible.
