SS27

REVERSO

REVERSO reinterprets shoe construction through an inside-out approach, transforming structural elements into defining aesthetic features celebrating the craftsmanship and manufacturing expertise behind each pair.

P001 ICON

The P001 collection blends clean design with exceptional comfort for effortless elegance.

P003 MUSE

The P003 line reinvents Panchic's iconic styles with an all-new ultra-light sole, merging sleek contours with bold, voluminous design.

P005 WAVE

Lightness and flexibility meet innovation in the P005 Line, featuring an eight-cut modular sole and an extensive choice of materials.

P007 CLAY

The P007 model marks a striking evolution in the Panchic line, reimagining classic aesthetics with distinctive details and premium materials.

PO11 AURA

The PO11 line reimagines the simplicity of the past, offering clean lines and minimal volumes for a refined and comfortable retro aesthetic.

P013 BARE

The bold design is what sets the P013 apart. The different variations – slides, sabots and strap shoes – set them apart and make them the perfect ally to step into summer.

P015 GALA

The P015 line redefines classic femininity, offering both a crisp lace-up and a graceful ballerina for style that moves seamlessly from day to night.

P019 REEF

P019 flows from sea-kissed heritage, weaving tactile materials and nautical references into a refined, urban expression.

P301 EDGE

The P301 line features ankle boots and lace-ups that blend bold attitude with refined elegance, crafted for the modern urban explorer.

P303 HOOK

The P303 line transforms the classic lace-up into a statement of bold spirit, with mountain-inspired hooks adding a daring, adventurous touch.

P501 DUCK

The P501 line pairs a refined minimal aesthetic with smooth ease, for an effortless everyday style.

P503 RAIL

The P503 line showcases sneakers in both multicolor and total black versions, offering a dynamic balance of bold style and clean essentiality.
